### Ash Wednesday and Good Friday are days of Fasting and Abstinence from meat:

The Season of Lent is a time of penance. During this season the faithful are exhorted to devote themselves in a special manner to prayer, to engage in works of piety and charity, and to deny themselves.

Each of the faithful is obliged to receive Holy Communion at least once a year. This precept must be fulfilled between Ash Wednesday, 26<sup>th</sup> February and Trinity Sunday, 7<sup>th</sup> June unless for a good reason it is fulfilled at another time during the year. The wonderful gift of the Lord's merciful love is offered in a special way in the Sacrament of Reconciliation.

Lent is a most appropriate time to receive this Sacrament. All the faithful who have reached the age of discretion are bound faithfully to confess their grave sins at least once a year.

On all other Fridays through Lent with the exception of solemnities, the law of the common practice of penance is fulfilled by performing anyone of the following:

**Prayer** – for example, Mass attendance; family prayer; a visit to a church or chapel; reading the Bible; making the Stations of the Cross; praying the Rosary; or in other ways.

**Self-Denial** – for example, not eating meat; not eating sweets or dessert; giving up entertainment to spend time with the family; limiting food and drink so as to give to the poor of one's own country or elsewhere; or in other ways is a major means of expressing our self-denial.

**Helping Others** – for example, special attention to someone who is poor, sick, elderly, lonely or over burdened; or in other ways.

For the Penance of Reconciliation - see Confession times.

### Trocaire 2020 Campaign:

This year Trocaire's Lenten campaign highlights two mothers aiming to overcome the odds to protect their families. Angela lives in Honduras with her husband and five children. Everyone in her family has been beaten and tear-gassed as they watch corporations destruct the village forest and poison the rivers. Food is scarce, the children's health is badly affected by toxic water and their health centre has not had medicine in months.

Madrisa a farmer and mother of six lives in Kenya. She is living on the edge, struggling to survive after two seasons of failed rains. As climate change exacerbates the situation they bear the brunt in Kenya when crops wither and nothing grows. Abandoned by her husband, the relentless drought makes life even harder as she struggles to provide even one meal for her family.

Please take an envelope and help these two women to protect their families this Lent!
